Sa Temang "Kabayanihan at Katapatan ng Muntinlupeno tungo sa pag-unlad at tamang pagbabago", muling ginunita ang kabayahan ng mga beterano ng Muntinlupa, na nagbuwis ng buhay upang makamit ang kalayaan. Sa ika-74th Liberation Day anniversary, nanguna si Mayor Jaime R. Fresnedi at Congressman Ruffy Biazon s amasiglang selebrasyon, kasama ang Community Affairs and Development Office, OIC-Rose Geli na nagsagawa ng programa katuwang ang Cultural and Tourism Development Office. Binigyan nila Mayor Fresnedi at Congressman Biazon ng Plaque ng Pagkilala ang mga sisterhood Citizens-Veterans na sina: Capt. Benjamin A. Narciso PAL (Ret.)-Ex-chair, Emeritus, AAVA Senior Citizens, Capt. Salvador S. ARceo, Jr. PAL) Ret. President- AAVA Senior Citizens, Ms. Simeon Lacson-Barangay Councilor AAVA, at G. Jaime dela Rosa-Treasurer, AAVA Senior Citizens.

Panauhin Pandangal si Justice Manuel Pamaran, Acting President, Veterans Federation of the Philippines. Ayon kay Justice Pamaran, malaki na ang ipinagbago ng Muntinlupa mula sa dating imahe na "saan ka sa loob o labas ng Muntinlupa" (tinutukoy ang NBP-Bilibid), ngayon iba na ang pagkakakilala sa Muntinlupa, ito na ang isa sa "Progressive City of the country", at ito ay dahilan na rin sa good governance ni Mayor Fresnedi kasama si Congressman Biazon, sa tulong ng mga City Officials.

Gayun din naman ang pagpapasalamat ni Mayor Fresnedi at Congressman Biazon, na mahalagang maikwento sa ating mga kabataan ang kahalagan ng kasaysayan ng Muntinlupa, kaya't isang Museo ang itinayo upang manatili sa kaisipan ng mga taga Muntinlupa ang pangyayari noon. Ang Museo ng Muntinlupa ang magiging gabay para maituro sa mga kabataan ang kasaysayan ng Muntinlupa 100 taon na ang nakakaraan.

EDITORIAL:

Looking for luck

Whether by true belief, time-honored tradition or plain habit, Filipinos take active part in the celebration of the Chinese New Year. This year is no different.

The celebrations are such that evil spirits and other bearers of bad luck are warded off, inviting only prosperity, longevity, health and good relationships. As the Year of the Pig is ushered in, people talk about whether their own signs would bring luck and happiness—or their opposites.

This year is especially significant for Filipinos because there will be an election in three months and several big projects and campaigns are being implemented in government. The May elections, as well as the initiatives for peace, the environment, peace and order, and infrastructure all play an important role in determining our progress as a nation.

But while believers resort to certain practices to get rid of ill fortune or invite only positive energies, it is time we started ascribing our sorry situation less to bad luck and more to an inability to break old patterns. For instance, we keep falling for the same trap of electing candidates for their prominent last names, for their grandiose promises of change, or for the personality that they cultivate for the masses.

As a result, we find ourselves in the same rut, only with greater hatred and wider divisions than ever before.

May this year's celebrations come with an awareness that it is we who determine our own good or bad fortune, and who chart our own destiny as a people. We imagine it is easier to believe otherwise, but in the end we do get the government we deserve, and the living conditions we choose to put up with.

ang kanilang mga anak kaya nakikiusap kami (Those with classified cases as early as December, there has already been an outbreak response and this continues. We still encounter parents who don't want their children vaccinated but we plead to them). Of course, we're informing them about the complications, as you can see it can be easily spread within a household)," she said.

Duque said measles vaccines are just one of the many free vaccines the DOH gives to the public through its immunization program.

"Mayroon po tayong bakuna para sa diphtheria, tetanus, polio, measles, mumps, rubella, extra pulmonary tuberculosis, meningitis, hepatitis B. Mayroon po tayong vaccine panlaban sa cervical cancer sa mga kababaihan, panlaban sa pneumonia para sa mga kabataan at para din sa mga matatanda. Ito po ang mga bakuna na bumubuo sa (We have vaccines for diphtheria, tetanus, polio, measles, mumps, rubella, extra pulmonary tuberculosis, meningitis, hepatitis B. We have vaccine against cervical cancer for women, against pneumonia for children and for adults. These are the vaccines that constitute the) fully-immunized children," he added.

The DOH Epidemiology Bureau (EB) reported an increasing trend in measles cases in the Ilocos, Cagayan Valley, Central Luzon, Calabarzon (Cavite, Laguna, Batangas, Rizal, Quezon), Mimaropa (Mindoro, Marinduque, Romblon, Palawan) and Bicol

NBI EMPLOYEE NAWALAN NG BARIL SA TAXI

PINAGHAHANAP ngayon ng isang emplyeyado ng National Bureau of Investigation (NBI) ang isang FX taxi na kanyang sinakyan nang naiwan nito ang kanyang service firearm matapos itong nakatulog sa Dasmariñas City, Cavite

Sa salaysay ni Ricardo Payaoan, 58, ng Block 17 Lot 23 City Homes, Resorville, Brgy Langkaan 2 Dasmariñas City, Cavite kay 2 Richard Domingo ng Dasmariñas City Police Station, dakong alas- 11:08 ng umaga nang umalis ito sa kanyang tanggapan sa NBI sa Taft Ave., Manila at dumiresto ng Harrison Plaza kung saan

doon siya sumakay ng FX taxi pauwi sa kanilang bahay sa Cavite.

Habang binabagtas ng sinasakyang FX taxi na hindi nito naplakahan ay nakatulog ito dahil sa sobrang pagod dahil 16 oras umano syang nag-duty sa NBI.

Pagbaba nito sa Don Placido Ave., Brgy 4 Dasmariñas City, Cavite ay dito lang niya nalaman na nakalimutan niyang may dala siya clutch bag na naglalaman ng isang kalibre 38 nitong baril na nailapag nito sa sasakyan habang siya ay natutulog. **MARGIE BAUTISTA**

LTFRB...

The Baguio-bound tourist bus involved in a crash with an 18-wheeler truck last week is now facing its consequence for the incident. The Land Transportation Franchising and Regulatory Board (LTFRB) said it would publish a preventive suspension order against Jumbo Transport.

According to a police report, the Jumbo Transport passenger bus driven by Michael Sancajo crashed

into a Foton tractor at SC-TEX. The collision resulted in the death of 5 people and injury of 49 other passengers.

The bus passengers were barangay officials and staff from Naic in Cavite, reportedly heading up north for the municipal government's team-building and seminar.

On Sunday, February 3, the LTFRB released the text of the suspension order dated Friday, Febru-

ary 1.

Jumbo Transport's franchise will be suspended not more than 30 days after the receipt of the order.

The buses' plates must be surrendered to the LTFRB on February 11.

LTFRB also issued a show-cause order, requiring the operator to appear before the board on February 12 to explain why their franchise should not be revoked.

FROM PAGE 1

Jumbo Transport has 10 units under its tourist bus franchise, which is supposed to lapse on December 10, 2021. Its franchise was signed on July 5, 2016, with an approved route to any point of Luzon from Las Piñas City.

The LTFRB said the insurance company has already released P400,000 to assist the victims, pending verification of all claims.

regions as of January 26.

According to DOH EB's validated data, Calabarzon and NCR have the highest case fatality rates for measles, with Calabarzon recording 575 cases with nine deaths, and NCR logging 441 cases with five deaths.

They are followed by Central Luzon, which has 192 cases, four deaths;

Western Visayas with 104 cases, three deaths; and Central Visayas with 71 cases, one death.

Duque said the DOH is closely monitoring Mimaropa with 70 cases, no death; Ilocos with 64 cases, two deaths; Northern Mindanao with 60 cases, no death; Eastern Visayas with 54 cases, one death; and Soccsksargen

with 43 cases, no death.

He clarified that there is no new strain of the measles virus plaguing the country.

He said the increase in measles cases is brought about by the increase in number of unvaccinated individuals or defaulters as a result of the continued Dengavaxia vaccine scare. (PNA)

Cops seize P442-K 'shabu'; nab 3 in Kalinga buy bust ops

BAGUIO CITY -- Three persons in Kalinga province were arrested in a buy-bust operation on Tuesday, yielding a total of 65 grams of shabu with an estimated value of PHP442,000, the Police Regional Office - Cordillera (PROCOR) said Wednesday.

Arrested were Annabel Estrada, 40; Marlon Olimos, 32; and Jackielou Macabenta, all residents of Paliparan 3, Dasmariñas, Cavite.

The three were nabbed after selling two plastic sachets of shabu with an approximate weight of 10 grams to undercover police officers who posed as buyers inside a coffee shop of a hotel in Barangay Bulanao at about 10 a.m.

At least 55 grams shabu were seized from the suspects after a body search by the Regional Intelligence Division (RID),

Regional Intelligence Unit 14 (RIU14) and Tabuk City Police immediately following the arrest.

Also confiscated from the suspects were cellular phones used in transacting the sale and the PHP2,200 buy-bust money.

The suspects are now facing charges for violation of Republic Act No. 9165 also known as the "Comprehensive Dangerous Drugs Act of 2002".

Philippine Drug Enforcement Agency Regional Director Edgar Apalla estimated the total cost of confiscated drugs based on the PHP6,800

per gram Dangerous Drug Board market value.

Apalla said records would show that several arrests in the region involved "tourists" or those who visit the Cordillera to sell illegal drugs.

"Kung saan may bumibili, dinadala nila and droga at ang bayaran nangyayari sa bangko o kaya sa remittance centers kaya napakahirap mag-track (They go where there are buyers and the payment is deposited through the bank or sent through remittance centers, making it difficult to track them)," Apalla said. Amend Guidance & Counseling Law to address shortage of counselors for Children-at-Risk

Senator Win Gatchalian is considering filing an amendment to Republic Act No. 9258 or the Guidance and Counseling Act of 2004 to enable the Department of Education to hire more guidance counselors in schools.

The guidance counselors, Gatchalian said, are vital for schools to be able to adequately address the needs of children-at-risk (CARs) in order to prevent them from becoming children in conflict with the law (CICLs) or juvenile offenders.

In particular, the lawmaker said he is looking to modify the qualifications for the guidance counselor licensure examination as provided in Section 13 of the law.

"The current requirements of the law may be too stringent and may have been a factor in the low number of guidance and counseling graduates applying for a license. Sa ngayon kasi bago ka makapag-board exam para makakuha ng lisensya, required na may master's degree sa guidance and counseling ang isang aplikante," he said.

"Para magkaroon ng lisensya ang isang teacher, bachelor's degree lang ang kailangan bago maka-pag-board exam. So we are now looking into the possibility of allowing bachelor's degree holders to take the guidance and counseling licensure exam and waive the licensure exam requirement for those with at least a master's degree and relevant experience," he added.

Moreover, Gatchalian said they are also looking into revisiting and relaxing the guidance counselor to student ratio requirement to be able to arrive at a feasible number, both for the guidance counselors and the budget needed for their salaries.

DepEd requires public and private elementary and high schools to hire one guidance counselor for every 500 students. The Philippines, however, only has 3,220 registered guidance counselors as of July 2017 since the first batch of licensure examinees in 2008.

Gatchalian said with the current requirement of DepEd, 52,264 guidance counselors are needed nationwide are need for the 26,311,949 students from kindergarten to senior high school as of Academic Year 2017-2018.

"Kailangan natin ang guidance counselors para maituwid ang landas nila ng mga CAR. Tinuturing natin na pangalawang tahanan para sa mga kabataan ang ating mga paaralan, therefore, children, especially CARs should be nurtured in schools beyond academic learning para hindi sila tuluyang maging CICLs," he added.

The lawmaker stressed that strengthening counseling in schools and keeping children in schools is a better alternative in providing intervention programs for CARs and CICLs rather than lowering the minimum age of criminal responsibility (MACR).

According to the Juvenile Justice and Welfare Council (JJWC), the typical profile of a CICL is male, 14-17 years old, and has low educational attainment or stopped schooling.

NHCP...

KAWIT, Cavite -- Acting Executive Director Ludovico D. Badoy of the National Historical Commission of the Philippines (NHCP) led national, provincial and local officials in commemorating the 55th death anniversary of the country's first president, Gen. Emilio Aguinaldo, at his former abode-turned-shrine in Kaingen village along Tirona Highway here Wednesday.

The NHCP-managed shrine, acclaimed as a "House of History", served as "centerstage" for the ceremonies which began with the celebration of a Mass and went on with flag raising and wreath-laying rites. A Philippine Navy (PN) contingent led by Capt. Edwin M. Nera offered military honors.

Aguinaldo's descendants were present in the event, along with provincial political leaders.

Born in Kawit, Cavite on March 22, 1869; Gen. Aguinaldo was the seventh of eight children of Don Carlos

Aguinaldo and Doña Trinidad Famy who were in the salt trading business.

His name may be synonymous to a plethora of things arising from his courageous and bold exploits, as well as various accusations against him. Aguinaldo became president at the young age of 29.

NHCP Cavite Cluster Head and Museo ni Emilio Aguinaldo curator Haidee Paulette M. Bedruz told the Philippine News Agency (PNA) that although Aguinaldo wished to live up to 100 years old, he fell short by six years, when at age 94, he succumbed to coronary thrombosis at the Veterans Memorial Hospital, which he established.

The state funeral of Aguinaldo, held on Feb. 16, 1964, was attended by political heavyweights of that era, led by former president Diosdado Ma-

capagal, vice president Emmanuel Pelaez, Senate president Ferdinand Marcos, as well as notable war veterans and military officials.

The late revolutionary president's remains were interred in a tomb built on the grounds of his Kawit residence.

The establishment of the Asociacion de los Veteranos de la Revolucion is one of the great legacies of Aguinaldo, along with the founding of the Veterans Federation of the Philippines, in recognition of revolutionary war veterans' valuable services and sacrifices in the quest for independence.

The death commemoration of Aguinaldo serves as a prelude to his sesquicentennial birth commemoration on March 22, which has been declared a national holiday. (PNA)

'Sumilang'...

FROM PAGE 1

SILANG, Cavite -- The 9th Sumilang Festival, which is celebrated in this historic town from January 20 to February 8, comes with pomp and pageantry but with more meaningful celebration for the town's 424th founding anniversary and homage to its patron saint "Our Lady of Candelaria".

Phillip Lacson Medina, chairman of the Sumilang Fiesta Executive Committee and member of the Silang Heritage Council, shared that this year's celebration also marked an event by the faithful community with the Episcopal coronation for the Blessed Mother of Silang by His Eminence Bishop Reynaldo Evangelista of the Archdiocese of Imus on January 31.

Medina said the town was originally established as a parish on Feb. 3, 1595. Thus, present officials of the Silang Parish Council for Culture and Heritage (SPCCH) and the Parish Pastoral Council (PPC) filed a petition, through their Parish Priest Marty Dimaranan, before the Imus Bishop who granted the request for the Episcopal coronation in celebration of its 424 years as a parish.

"Credit also goes to various religious organizations with the barangay-based Basic Ecclesial Communities (BEC) who led the fundraising campaign from the faithful, and the proceeds were used to purchase

the sterling silver fineries and regalia in honor of the Blessed Mother's devotion to the community of Silang," he added.

Medina described the solemn occasion spirited by the 120-strong choir composed of men, women and children as they led the congregation in the "Awit ng Papuri" (song of praise) as the coronation procession ensued.

As part of the ceremony, the community organizations offered two silver crowns to the bishop while a youth representative, as part of the church's observance for the "Year of Youth", brought the silver candle to the altar.

Medina said the sacred rites were amazing, bringing goosebumps to the congregation, as they witnessed Rev. Father Marty Dimaranan place the first crown to the Santo Niño image.

As Bishop Evangelista crowned the Blessed Mother, the parishioners chorused with rousing and joyful shouts "Viva de la Virgen de Candelaria! Viva Reina de Silang! (Hail to the Blessed Virgin of Candelaria! Hail to the Queen of Silang!).

"It was an emotional pandemonium for the crowd as others gleefully cheered while others cried in joy," Medina said.

The traditional homage to the town's patroness "Our Lady of Candelaria" took centerstage during the 20-day festivities in the centuries-old church, which parish edifice complex showcases the Retablo Mayor and Mayores, or the votive altar pieces that were conferred as National Cultural Treasures (NCT), through a historical marker installed by the national museum.

Festival organizers said the annual Sumilang Fiesta is observed as thanksgiving for the bountiful fruit harvests in this agricultural but first-class town. (PNA)

Duque said measles can lead to complications, such as diarrhea, middle ear infection, pneumonia, encephalitis, malnutrition, blindness, and even death.

"In addition to vaccine, building the nutritional status of the sick person and increasing oral rehydration are important measures to increase body resistance and replace lost body fluids caused by coughing, diarrhea and perspiration," he said.

DOH Undersecretary Eric Domingo, meanwhile, said the unvaccinated population has been increasing since

2015 so the department has taken extra effort to educate the public about the importance of vaccines.

"We tried the first round in March and April 2018, then the second round on October 2018 and it is not quite successful. There will be a phase three for one year this 2019, really focusing on the immunization of the children. We'll have supplemental immunizations, outbreak immunizations," he added.

On the other hand, DOH-NCR Director Corazon Flores said their medical teams have gone house-to-house to promote the measles vaccine.

"Iyong may mga classified cases as early as December, may outbreak response na po at continuous na po. Na-encounter pa rin

MANILA -- The Department of Health (DOH) on Thursday urged the public to have their children vaccinated against measles following its declaration of a measles outbreak in the National Capital Region (NCR), Luzon, and Eastern Visayas.

In a press briefing, Health Secretary Francisco Duque III said measles is a highly contagious disease that can be prevented by vaccination.

"It can be transferred from one person to another through coughing, sneezing and close per-

sonal contact, and its symptoms include cough, runny nose, red eyes or conjunctivitis, fever skin and rashes which last for more than three days," he said in a press briefing.

Citing that immunization and vitamin A supplementation remain as the best defenses against measles, Duque urged mothers to bring their children to the health centers for appropriate vaccination and treatment at the first sign of fever.

"Ang mga ba-

Huwag po natin ihalo dito ang issue ng Dengvaxia, kasi ilang dekada nang napatunayang epektibo ang mga bakuna, gaya ng marami sa inyo dito sa aking harapan, na nabakunahan dati pa (The vaccines in our health centers are of good quality, have been proven effective and are free, courtesy of the citizen's taxes. The Triennial Sorteo Festival: A Unique Tradition of Carmona

Aside from a booming economy, the Municipality of Carmona continues to have a well-preserved culture and tradition through the Sorteo Festival. It was originally known as the Subasta de las Tierras Comunales del Pueblo de Carmona which was a means to democratically settle land disputes through a lottery

of communal lands. From then on, this tradition was passed from various generations to the next and formally became a grand festival in 2004 through the initiative of the then Municipal Mayor Roy M. Loyola who thought of making this unique practice known throughout the country.

Townsppeople flock to the Sorteo Festival for a chance to win the right to cultivate farmlands for three (3) years. The fun-filled

event starts with the registrant's name being fished out of a giant tamboli. The host then exclaims the winner's complete family background before the prize is announced. Apart from the lottery of communal lands, locals and visitors also anticipate the weeklong gala of colorful competitions, showcase of talents, and parade of beauty and artistry.

Press Release for the "Sorteo Festival 2019"

The Municipal Government of Carmona invites everyone to the week-long celebration of the Sorteo Festival 2019 happening from February 15 to 23, 2019 at the Hon. Marciano Mapanoo Park or also known as the Carmona Town Plaza.

This year, Carmona has prepared a fun-filled line up of events for the whole week starting on February 15 with the kick-off of the festival through the Ani ng Kinabukasan Grand Opening where spectators will witness colorful street dances, festive decorated houses, sumptuous street foods, and a showcase of various talents.

Some of the crowd favorite celebrities such as Arjo Atayde, Joseph Marco, and Vin Abrenica will also visit the Center for Investment and Sports for the highly anticipated Basketball with the Stars. Visitors and locals will also witness the battle of singing prowess from the six children and six adult contenders of Gintong Tinig, Gintong Himig Finals. Aside from this, the Binibining Sorteo 2019 will also be crowned from a pool of 17 candidates exhibiting confidence, wits, and grace.

The highlight of the festival, the Sorteo ng Bukid ng Bayan, will happen from February 20 to 23 where

there will be a lottery of communal agricultural lands which can be utilized by lucky Carmonians for three years. Sorteo ng Bukid ng Bayan or simply Sorteo Festival is a triennial celebration featuring colorful competitions, showcase of talents, and parade of beauty and artistry on top of the actual lottery marathon of communal lands.
