**OATH-TAKING OF NEWLY ELECTED TMC OFFICIALS:** Newly elected Trece Martires City Mayor Gemma Buendia Lubigan took her oath of office before outgoing Governor Jesus Crispin Remulla at the Cavite Provincial Gymnasium on June 26, 2019. Also joining the oath-taking rites were City Vice-May-

or Romeo "Bobby" L. Montehermoso and the Sangguniang Panlungsod members joined by their respective families and witnessed by friends, supporters, and volunteers.

Outgoing Governor and elected 7th District Congressman Boying Remulla reminded the officials to adhere to their oath "to do their duties, function and responsibilities, uphold and defend the Constitution."

Mayor Lubigan who ran for mayor to continue the work and legacy of her slain husband, city vice mayor Alex Lubigan vowed to deliver services to Treceños and promote transparent leadership. Aware of the huge expectations on her new task, she gave assurance to the Treceños that she will love the city people, not the position given to her.

Incoming Governor Jonvic Remulla in his short speech thanked all the people behind Mayor Gemma's victory. He reiterated that if Vice Mayor Alex sacrificed his life, these people sacrificed their time and effort for the new mayor and the city. "Huwag nating sayangin ang pagkakataong ito", he stressed. He ended his speech by laying out the plans for the new Trece Martires City.

Other guests who attended the ceremony were newly elected 7th District Board Member Ping Remulla, barangay officials, city government employees, department heads, NGOs, pastors of different religion and other stakeholders. **(Rebecca A. Patricio — with Gem Lubigan and Bagong Trece)**

In the message of Governor Jonvic, he highlighted his agenda for his three-year term, which include programs to address issues on traffic, solid waste, water supply, all for the ultimate goal of making Cavite the safest province in the country. **(Rochelle V. **EDITORIAL: Image of oddity**

Lines of water consumers waiting for their respective turns to have their hand-carried containers filled in corner streets by the authorities have unleashed an image of oddity at the start of the rainy season.

At a time when the rains appear to start ushering in the monsoon season, the water level at the 131-meter high Angat Dam, which supplies 97 percent of raw water requirements for Metro Manila and nearby provinces, is visibly on a down-swing.

The dam's level of 158.02 meters recorded before the weekend is on a steady plunge and very near the lowest level of 157.56 meters recorded in 2010—its normal high water level, according to the Philippine Atmospheric Geophysical and Astronomical Services Administration (PAGASA) is 210 meters. Three months ago, the Metropolitan Waterworks and Sewerage System said it would solve the water shortage in some parts of Metro Manila and nearby Rizal province in five months, which gives a time line of August.

MWSS Administrator Reynaldo Velasco assured President Rodrigo Duterte then that the agency was doing its best to solve the water shortage problem while "putting to task Manila Water to give us a definitive time line of solving their distribution and operations systems to bring back to normal level the water supply to ease the suffering of the consuming public."

Velasco had admitted the agency was in "a catch up mode" as far as water supply source was concerned since the main source, Angat Dam, was built in 1967 and no major water source had since been built save for some water supply projects from Laguna Lake by both Maynilad and Manila Water.

Authorities have noted it was only in the last two years when serious efforts were put in place to push for major water flagship projects like the 600 millions of liters (MLD) Kaliwa Dam, the 500 MLD from Wawa Dam, the 800 MLD from the unutilized water from Angat-Norzagaray, the 350 MLD from Bayabas Dam as well as the 500 MLD from Laguna Lake.

While drenched consumers mark time in corner streets waiting for rationed potable water under the rains, they get understandably uptight encoded rebates in their monthly water bills are not reflective of the truth.

**SANGGUNIANG PANLALAWIGAN HOLDS ITS INAUGURAL SESSION**

Re-elected Cavite Vice Governor Jolo Revilla presided the inaugural session for the newly constituted Sangguniang Panlalawigan on July 01, 2019 at Session Hall of the Legislative Building in Trece Martires City. After acknowledging the presence of all the attendees, Vice Governor Revilla delivered his privilege speech wherein he mentioned the advantage of the legislative body composed mostly by young board members who can contribute new ideas with the guidance of veteran legislators. Likewise, Governor Jonvic Remulla who graced the inaugural session called on everyone's cooperation and support in making the province the safest one. He encouraged them to work with him in achieving the common vision while maintaining check and balance in the executive and legislative body of the provincial government. The session was also attended and witnessed by department and unit heads of the provincial government. (PICAD)

**"SM Strengthened the Agriculture Potential of San Pablo City"**

A total 181 farmers from San Pablo City graduated from a three-month farming technology training spearheaded by SM Foundation through its 'Kabalikat sa Kabuhayan' program. Shown are the fresh harvest of crops from a demonstration farm in Barangay Soledad, San Pablo City.

With its continuous commitment, SM Foundation has renewed an agreement with the Department of Agriculture to train farmers nationwide even as their partnership enters its 12th year, or since the foundation launched its maiden Kabalik sa Kabuhayan Farmers' Training Program in 2007.

Responding to the global call to work for sustainable agriculture and food production, SM Foundation has organized a 12 week hands-on training in a demonstration farm established at Barangay Soledad, San Pablo City.

"SM's Kabalik sa Kabuhayan Program [KsK] has partnered with Harbest Agribusiness Corporation in coordination with the Department of Social Welfare and Development Office, the Department of Agriculture, and the city government of San Pablo City," Nina Wong, Public Relations Manager at the SM City San Pablo said. "Its really a harmonious display of public and private community partnership".

The group of 181 farmers is the 8th batch of beneficiaries of the 'Kabalikat sa Kabuhayan' farmer's training

program in Laguna Province, the 203rd batch of farmer-beneficiaries nationwide since it started in 2007.

"The trainees were familiarized on seed culture and modern propagation, irrigation, fertilizer application, pruning, mulching, and safe farming," said Jojo Rentazo, an agriculturist working as Field Instructor of Harbest Agribusiness Corp. Ms Beth Eseo, City Agriculture Officer of Sam Pablo said that the land area of the city has all the potential in yielding high value crops and they are willing to work hand in hand with the farmers and potential farmers in San Pablo.

On Tuesday, a harvest festival was held at the demonstration farm in Soledad Silent Springs of San Pablo, where the farmers had the opportunity to sell their harvests.

Some of the fresh harvest were used in a cooking contest. Participants and guests had chance to enjoy dishes during a "boodle-fight" lunch.

The 181 graduates will be presented in a graduation ceremony to be held at the mall atrium of SM City San Pablo this Wednesday, July 3.

## KAPANALIG Ni Nelson Dimapilis

The Senate and the House of Representatives have approved a measure that will further strengthen the powers and functions of the Authority of the Freeport Area of Bataan (AFAB).

The bicameral conference committee, headed by Senator Win Gatchalian and Rep. Gwendolyn Garcia, agreed to adopt the Senate version of the bill, which went through a fine-tuning process during the pre-bicam stage to ensure the measure's compliance with new policies of the Department of Finance (DOF) regarding fiscal incentives.

"The pre-bicam was a very critical activity because we incorporated a lot of the comments of the Department of Finance," Gatchalian said. "As we all know, the DOF has a different view in terms of fiscal incentives."

"In order to pursue this measure for the benefit of the people of Bataan, we incorporated all of the comments and suggestions of the Department of Finance," he added.

Senate Bill No. 2133, or an "An Act Further Strengthening the Powers and Functions of the Authority of the Freeport Area of Bataan," which is sponsored

## Bill strengthening Freeport Area of Bataan gets bicam nod

by Gatchalian, seeks to clarify and expand the FAB territory to open more investment portfolios and opportunities for Bataan.

At present, the original proclaimed area of the Freeport Area of Bataan is over 1,600 hectares. However, much of these area is not fit for development due to its mountainous nature. Of the 456 hectares that are considered developed, 355 are occupied, leaving only 101 hectares for further development.

Under the proposed amendment, the current FAB territory will now include the rest of the Municipality of Mariveles outside the former, and its municipal waters. The bill would also expand it to include alienable and disposable public lands and municipal waters of the expansion areas.

The bill will also allow AFAB to create the best model business center and one-stop shop for locators by giving AFAB certain powers within the FAB territory and unburdening other government agencies. This one-stop shop approach is designed to improve the ease of doing business and reduce bureaucratic burdens on investing and doing business within the FAB.

To balance the grant of additional powers to AFAB and as a good governance measure, the bill provides for the separation of the roles of the Chairman and Administrator of AFAB.

During the bicameral conference committee hearing, Gatchalian highlighted the potential of the FAB as an investment destination and in addressing

poverty in the area.

From just 33 registered enterprises with P5 million in committed investments in 2010, Gatchalian said the number of enterprises in the FAB grew to 130 in 2018, with a total of P6.99 billion in committed investments.

The FAB has also created 39,266 jobs for Bataan residents as of December 2018, a three-fold increase from 12,777 in 2010. The lawmaker said this increase in employment was instrumental in helping bring down Bataan's poverty incidence among families to 1.6% in 2015 – one of the lowest in the country – from 5.9% in 2009, when AFAB was established.

Gatchalian said the FAB is expected to create at least 66,476 jobs for the people of Bataan, while the national government stands to earn an estimated P7.6 billion in revenues from FAB in a span of five years, starting in 2020, once the measure is signed by President Rodrigo Duterte.

"AFAB has really contributed not only to the country, but most importantly to the people and the province of Bataan," the senator said. "(That is why) we decided to pursue this measure. (However), we also recognize the new policy of the Department of Finance when it comes to fiscal incentives."

"A lot of these provisions are really geared towards complying with the requirements of the Department of Finance," he added. "We would like to ask for the support of the Department of Finance in making sure that this bill will get the stamp of approval of the good secretary."

## Striding the Road to Peace and Security: The City Government of Dasmariñas Blesses Additional Police Mobile Outposts

Last June 28, 2019, Mayor Pidi Barzaga and Cong. Jenny Austria-Barzaga led the blessing of four (4) police mobile outposts at the Pagamutan parking area. Joining the ceremony were Board Member Jun Dela Cuesta, Vice Mayor Raul Rex Mangubat, City Councilors, and Dasmariñas City police officers. Father Gabriel Chiniona was the officiating priest.

The newly purchased police mobile outposts add to the eight (8) other operational outposts in the city. As the existing ones, these outposts are equipped with technologically-advanced features. They are furnished with a built-in LED wall, and an LED panel lights. Moreover, each is installed with one (1) HP aircon, CCTV system with five (5) cameras, and an i5 desktop computer with Wi-Fi, and 8-channel network video recorder with 4 SATA 6.0TB Hard Disk Drive, HDMI, VGA, USB and audio port. They also have a rack mountable UHF Dual wireless microphone system with BNG patented audio reference for a crystal clear sound; and a weatherproof LAX column speaker. In addition, attached to each outpost are two (2) LED blinkers and four (4) fog lights. Two (2) exhaust fans and one (1) hot and cold water dispenser are also found in every outpost.

The aforesaid police mobile outposts will be stationed at Paliparan Crossing, near the Wilcon Depot; Alongside the 7-Eleven convenience store at DBB-B, in front of Gate 1 of De La Salle University-Dasmariñas; at Metrobank – Daño Branch; and along the Mangubat Drive in front of De La Salle University Medical Center. These will be manned by uniformed city policemen, just like the other outposts at Barangay Salawag, Waltermart – Dasmariñas,

Barangay San Simon, SM Market Mall, Promenade De Dasmariñas, Central Mall – Savemore, Pala-Pala Intersection and Paliparan III Junction.

Recent reports from the Dasmariñas City Police Station attest to the effectiveness of this program in promoting the security of the city constituents. In fact, records show that there has been a significant reduction in crime rate in areas where the outposts are installed. Acquisition of these outposts indeed helps in deterrence of crime.

The City Government of Dasmariñas stays committed to its thrust to further its peace and order program. It believes that progress goes hand-in-hand with maintenance of peace and order. Hence, all Dasmariñeños can hope that it will continue to provide additional police equipment and facilities in the city. It does and will keep its march towards peace and security!

Sa Dasmariñas, seguridad ng mga mamamayan ang bida!

## Interagency database of foreign workers to be set up

The Bureau of Internal Revenue (BIR) is now working with the Department of Labor and Employment (DOLE) in developing an interagency database of foreign nationals working in the country to effectively monitor them and ensure that they pay the correct amount of taxes to the government.

In a report to Finance Secretary Carlos Dominguez III, BIR Commissioner Caesar Dulay said revisions were made to a draft joint memorandum circular (MC) being crafted with the DOLE on the issuance of work permits to foreigners to include a provision on setting up the database.

"To effectively pursue our mandate (of taxing foreign workers), we need accurate data on foreigners working in the Philippines," Dulay said during a recent Department of Finance (DOF) Executive Committee (Execom) meeting.

Dulay told Dominguez during the Execom meeting that the DOLE had invited the BIR to a meeting to discuss the joint MC on the issuance of work permits to foreign nationals.

"Revisions were made to develop an inter-agency database to be administered by the DOLE," Dulay said.

Dulay also reported that several of the 15,176 foreign nationals working in 174 establishments, mostly Philippine offshore gaming operators (POGOs), that the DOLE said had no working permits were subsequently determined by the BIR to have the proper working permits and visas. "DOLE was informed of these findings," Dulay said.

The BIR, Dulay said, has also sent out 29 letter-notices to several POGO service providers telling them to remit the taxes due them as withholding agents in the amount of P4.44 billion.

During the last meeting called by Dominguez with members of the interagency task force created to monitor and list down the number of foreign nationals working in the country, he said the Bureau of Immigration (BI) and the Philippine Amusement and Gaming Corp. (PAGCOR) need to step up their efforts and come up with creative solutions in tracking the entry and employment of foreign nationals in the country.

This is necessary, he said, to accomplish the goal of coming up with an accurate database of taxable aliens in the Philippines.

Dominguez also said that while the government is currently focusing on POGOs, the BIR's mission to ensure that taxes are properly collected cover all foreign nationals working in the Philippines.

# Faring better financially

When Amelita Nacarita lost her husband seven years ago, raising her seven children was an uphill challenge. Giving up, however, was never her option. To Amelita, the source of her strength is her children.

Amelita endured the pain just to provide food on the table and send her children to school. Her eldest child even stopped schooling and decided to work for the meantime to help her.

To sustain their daily needs, Amelita, with the help of her children, engaged in selling vegetables and fruits from the small piece of land her parents passed her.

Eventually, the demand increased, which led her to engage in buy and sell of fruits and vegetable. A friend introduced Amelita to Center for Agriculture and Rural Development (CARD), Inc. (A Microfinance NGO) to help finance Amelita's business.

To date, Amelita's business continue to generate income allowing her to provide the needs of her children and at the same time prepare their future by having microsavings and microinsurance.

Amelita also attends the weekly meeting at CARD, Inc. to learn more about financial management during their Credit with Education (CwE) sessions.

According to Amelita, she will never get tired working for her family. She also hopes that her children will get to learn a lot from her so that they can be prepared when the time they become parents.

CARD, Inc. is a social development institution that is in the business of ending poverty in the Philippines by providing financial and community development programs.

IMUS CITY, Cavite - Tagaytay City and 10 other Cavite towns are among local government units (LGUs) that have been cleared of illegal drugs since the provincial police office has pursued its campaign against drugs, an official said Thursday.

In a report, Col. William Segun, Cavite Provincial Police Director, said 11 of the 23 Cavite towns and cities made their way to the list.

"We are still in the process and continue to conduct operations against illegal drugs in our province. I have day-to-day monitoring on each police station," Segun said in an interview.

The 10 towns include Naic, Alfonso, Indang, Amadeo, Bailen, Magallanes, Maragondon, Mendez, Ternate and Noveleta.

Cavite City has only 36 out of its 84 barangays, while Rosario has seven out of 20 barangays that are cleared of the illegal drugs.

# DONATE-A-BOOK, SHARE THE GIFT OF KNOWLEDGE WITH THE SM STORE

Just in time for the back-to-school season, SM shoppers can share the gift of knowledge through The SM Store's SM Share Movement Donate-A-Book campaign in all branches nationwide.

Ongoing until July 7, shoppers can donate books and school supplies to benefit school children of select SM Foundation supported schools. In exchange, shoppers will receive 50 pesos discount coupon for every donation made.

Earlier donations from the campaign, which was launched last May 20 were distributed to the Balanga Elementary School in Bataan where employee volunteers from the nearby branches of The SM Store in Pampanga and Olongapo shared a fun-filled day with grade 3 pupils. The SM Store donated books from Olongapo and Pampanga branches enough to fill up the mini-library of the two storey school building donated by SM Foundation. Bags and school supplies were also donated just in time for the back to school season.

The grade 3 pupils of Balanga Elementary school were also treated to a story telling session by The Story Telling Project (TSP), a non-government partner organization of SM, with the aim to spark hope, inspiration and imagination through storytelling. In the session, TSP demonstrated how you can inject fun and enthusiasm in reading as a group activity to teachers, parents, and pupils.

According to Rey Bufi, Executive Director of TSP, "we are aligned with the mission of The SM Store

The SM Store recently donated books and school supplies to the students of Balanga Elementary School during the #SMShareMovement Donate-a-Book campaign story book reading session. Share Movement Donate-A-Book campaign and Balanga Elementary School to make reading an enjoyable experience for children. It can help start the regular habit of reading in an age when children are often distracted with gadgets."

Reading, especially for third graders is a very crucial academic skill because it is the foundation of learning, Amy Inieto, Principal of Balanga Elementary School, shared that in addition to their regular school curriculum, they have a program to reinforce reading habits of learners.

"The books donated by The SM Store through its Share Movement Donate-A-Book campaign will be put to good use. It will become part of our teaching instruments to reinforce the value of reading," said Inieto.

The SM Share Movement Donate-a-Book campaign is part of The SM Store's quarterly donation drives- wherein it collects shoes, books, toys, and hygiene kits for identified unprivileged communities, including those impacted by calamities.

Grade three pupils of Balanga Elementary school received brand new back packs with school supplies from The SM Store.

These girls happily show their brand new school supplies courtesy of The SM Store's #SMShareMovement Donate-a-Book campaign.

According to Joseph Rosal, Senior AVP for Operations of The SM Store, "more shoppers are looking for ways to give back and they can do this through The SM Store. We want The SM Store to become the venue for people to come together and foster the true Filipino spirit of sharing or "bayanihan."

The SM Store Share Movement Donate-a-Book campaign is ongoing until July 7 in all The SM Store branches nationwide. Shoppers can share new and pre-loved gently used books. The SM Store also accepts school packs and text books.

Kids and The SM Store volunteer employees had a great time during the fun and interactive story book reading session by The Story Telling Project (TSP).

The SM Store Pampanga Branch Manager Benjamin Reyes together with the kids of Balanga Elementary School shared some reading time at the mini book corner.

Children from Balanga Elementary School enjoyed a fun coloring activity as part of the story book reading session.

Kids started to read books donated by The SM Store.

Kids were excited to check out their new books as The SM Store was able to donate books enough to fill up the mini book corner of Balanga Elementary School.

The SM Store Pampanga Branch Manager Benjamin Reyes read a short story to the grade three pupils.
