

SMDC, PAG-IBIG FUND PARTNER TO WIDEN HOME CHOICES FOR FILIPINO WORKERS

Pag-IBIG Fund and SM Development Corp. (SMDC) signed a memorandum of understanding Sept. 8 to widen the range of SMDC homes that qualified members may purchase through Pag-IBIG Housing Loans.

Under the MOU, qualified borrowers may receive preferential pricing on selected units in participating Pag-IBIG-accredited SMDC projects. The partnership also covers buyer education and planned homebuyer programs to help prospective buyers understand their housing options, Pag-IBIG financing and application requirements.

Qualified members may avail themselves of Pag-IBIG

Housing Loans of up to ₱10 million. Promotional rates of 4.5% on loans of up to ₱4.9 million and 5.75% on loans above ₱4.9 million and up to ₱10 million are available to qualified borrowers until Dec. 31, 2026.

The partnership advances continuing efforts by the Department of Human Settlements and Urban Development and Pag-IBIG Fund to strengthen private-sector participation under President Ferdinand R. Marcos Jr.'s Expanded Pambansang Pabahay para sa Pilipino Program. Through partnerships with leading developers such as SMDC, more members, particularly middle-income Filipino workers, gain access to quality, well-

located homes that suit their families and fit their budgets.

Lim and Pag-IBIG Fund Chief Executive Officer Marilene C. Acosta. Also serving as witnesses were Pag-IBIG Fund Deputy Chief Executive Officer Alexander Hilario G. EDITORIAL:

SA KABUTIHAN NAGSISIMULA
ANG PAGBABAGO

(By: Krezzie Valentin-INTERN)

Sa panahon ngayon, tila mas pinahalal-agahan na ang tagumpay, kompetisyon, at pansariling interes kaysa sa simpleng pagpapakita ng kabutihan. Sa gitna ng mabilis na pagbabago ng lipunan, unti-unti ring nakakalimutan ng ilan ang kalahagahan ng paggalang, malasakit, at pag-unawa sa kapwa.

Gayunman, nananatiling totoo na ang kabutihan ay isang halagang hindi kailanman naluluma. May mga taong naniniwalang ang pagiging mabait ay isang kahinaan. Inisip nila na kapag palagi kang mapagbigay o maunawain, madali kang malalamangan ng iba. Ngunit ang tunay na kabutihan ay hindi tanda ng kahinaan. Sa halip, ito ay sumasalamin sa mabuting pagkatao at matatag na prinsipyo. Hindi madaling piliin ang gumawa ng tama, lalo na kung mas madali ang balewalain ang pangangailangan ng iba.

Hindi rin kailangan ng malaking sakripisyo upang maging mabuting tao. Ang pagiging magalang, tapat, matulungin, at makatarungan sa kapwa ay mga simpleng kilos na may malaking epekto sa ating komunidad. Ang isang mabuting salita ay maaaring magbigay ng pag-asa, at ang isang malit na pagtulong ay maaaring magbago ng buhay ng isang tao.

Mahalaga ring maitanim ang kabutihan sa tahanan, paaralan, at komunidad. Ang mga kabataan ay natututo sa pamamagitan ng halimbawa ng kanilang mga magulang, guro, at mga nakatatanda. Kung ang kabutihan ay patuloy na isasabuhay sa araw-araw, mas magiging madali itong maipasa sa susunod na henerasyon.

Ang kabutihan ay hindi nasusukat sa laki ng ating nagagawa kundi sa katapatan ng ating layunin. Hindi ito nawawala sa halaga kahit gaano pa magbago ang panahon. Ang isang lipunang may paggalang, malasakit, at pagmamahal sa kapwa ay nagsisimula sa mga taong pinipiling maging mabuti sa araw-araw. Sapagkat ang kabutihan ay hindi lamang isang magandang katangian, ito ang pundasyon ng isang maayos at makataong lipunan.

Emergency...

Nagdala ng pagkain, inuming tubig, at grocery packs ang emergency response team ni Senate Minority Leader Alan Peter Cayetano sa mga lugar sa Pampanga na lubog pa rin sa baha nitong September 4 at 5, 2026.

Bumisita ang team sa mga bayan ng Candaba at Macabebe noong Biyernes at pagkatapos ay pumunta sa Apalit, Sasmuan, Bacolor, at San Fernando City nitong Sabado.

Umbot sa mahigit 1,100 katao ang natulungan, kasama ang mga evacuee, tindero, tsuper, senior citizen, boat operator, rescuer, at iba pang manggagawa.

Sa Barangay San Agustin sa Candaba, libu-libong pamilya ang naapektuhan ng pinakamalaking baha ngayong taon ayon sa mga lokal na opisyal. Isang bahay ang gumuho dahil sa erosion, pero ligtas naman ang pamilya.

Ayon kay Barangay Chairperson Billy Pamintuan, ang tubig-baha mula sa Bulacan at Nueva Ecija ay dumadaloy papunta sa Candaba at binabaha ang Candaba Swamp. Iisang creek lang ang nagdadala ng tubig mula San Agustin papunta sa Pampanga River.

Nakakapekto rin sa kabuhayan ang matagal nang pag baha. Napipilitan tuloy ang mga magsasaka na maging mangingisda habang baha pa ang kanilang mga sakahan.

Sa Barangay Paligui, nakipagkita ang team sa mga tindero ng isda at boat operators, kasama ang mga tricycle driver na nagiging boat operator kapag hindi na madaanan ang kalsada.

Sa Macabebe, namahagi ang team ng 300 grocery packs at 300 six-liter na tubig sa mga apektadong pamilya, boat operators, rescuers, at volunteers. Dahil sa baha, hindi natuloy ang face-to-face classes sa loob ng tatlong linggo, kaya lumipat sa alternative learning ang mga paaralan.

Kinabukasan, naghatid ang team ng

mainit na pagkain at bottled water sa mahigit 350 evacuee sa Barangays San Juan at San Vicente sa Apalit. May mga evacuee na dalawa hanggang tatlong linggo nang lumikas.

Sa Barangay San Juan, hanggang leeg ang baha kaya napilitang umalis ang mga residente malapit sa creek sa Northville Site. Ayon sa mga residente, maaaring umbot ng dalawang buwan bago tuluyang humupa ang tubig.

“Kami po ay lubos na nagpapasalamat sa pagmamalasakit ninyo sa aming mga kabarangay. Malaking tulong po itong mga napadala ninyong food packs para sa aming evacuees dito” sabi ni San Vicente Barangay Chairperson Wilfredo Danting.

Sa Barangay Cabalantian, Bacolor, isang buwan nang suspendido ang face-to-face classes dahil sa baha. Namahagi ang team ng grocery packs at bigas sa mga residente doon noong September 5.

Sa Sasmuan, namahagi ng mainit na pagkain, bottled water, at grocery packs sa mga apektadong pamilya at boat operators, sa pamamagitan ni Vice Mayor Jhun Tamayo.

“Maraming maraming salamat po sa tulong na inyong ipinaabot sa aming mga kababayan doon po sa coastal. Malakas po ang ulan ngayon at malaki ang alon,” sabi ni Tamayo.

Sa San Fernando City, namahagi rin ng grocery packs sa mga delivery rider, barker, senior citizen, at pump attendant.

Sa kanilang pagbisita, naitala ng team ang mga pangangailangan tulad ng rescue boats, malinis na inuming tubig, evacuation facilities, protective clothing, drainage improvements, road at housing rehabilitation, at livelihood assistance para sa mga apektadong manggagawa.

Bukod sa pagpapatakbo ng emergency response initiative ng kanyang opisina, matagal

to the alignment of national-regional priorities.

A diverse set of priority regional projects, spread among key development sectors, aimed at improving connectivity, strengthening public services, enhancing disaster resilience, and promoting sustainable development across CALABARZON was endorsed by the Council. These projects include:

Infrastructure Sector: Construction and improvement of major road networks, including the Santo Tomas-San Pablo Diversion Road, Atimonan Bypass Road, Agoncillo-Lemery Road, and Ibaan-Taysan Diversion Road, as well as the development of strategic ports in the Provinces of Quezon and Batangas to enhance regional connectivity and mobility;

Governance Sector: Provision of 500-gallon penetrator fire trucks to strengthen fire protection and emergency response capabilities across the region; Social Sector: Construction of school building in Rosario, Cavite, establishment of a Super Health Center in Silang, Cavite, and development of a multi-purpose warehouse for food and non-food items in GMA, Cavite to improve the delivery of basic services and disaster response; and

Economic and Environmental Sector: Modernization of integrated laboratories, implementation of precision agriculture technologies, provision of shellfish raft culture and 62-footer fishing vessel, construction of series of check dams within Marikina River Watershed, and procurement

nang isinusulong ni Cayetano mula noong 2013 ang isang permanenteng Emergency Response Department na mamamahala sa disaster preparedness, response, at long-term rehabilitation. Muli niyang inihain ito bilang Senate Bill No. 105 noong July 2025.

Kamakailan, binigyang din din niya ang pangangailangan ng pambansang dialogue kung paano gagawing “as

tershed, and procurement of mobile air quality monitoring station to promote sustainable and resilient development.

The selection of priority projects focused on projects within the scope of the RNIP process, excluding infrastructure flagship projects, which are covered by separate investment programming mechanisms. Prior to the endorsement, the proposed projects underwent technical discussions and validation with concerned regional offices and agency central offices (ACOs) to ensure their readiness and alignment with national development priorities. Buffer projects were likewise identified to ensure continuity should any of the priority projects not be endorsed by the ACOs. Following the RDC’s endorsement, the priority projects will be further advanced through the RNIP process and considered in the investment programming and budgeting processes of the concerned national government agencies.

The endorsement of the regional priority projects reinforces RDC CALABARZON’s commitment to translating regional priorities into concrete investments and development outcomes.

Through strategic planning, sustained coordination, and collective action, the Council aims to advance projects that strengthen connectivity, improve public services, enhance resilience and competitiveness, and promote inclusive and sustained growth for the people of CALABARZON.

Aniya, kailangang tugunan ang parehong praktikal na dahilan ng paulit-ulit na baha—tulad ng mahinang urban planning at mabilis na urbanization—at ang kawalan ng tamang pagpapahalaga, lalo na ang integridad, na pumipigil sa tunay na pagbabago at nagbibigay-daan sa korapsyon sa mga flood control projects. CAVITEX...

Bilang bahagi ng patuloy na pagsuporta sa mga flood mitigation efforts sa Cavite, nagsagawa ang CALAX at CAVITEX-CALAX Link (CCLink) project team ng serye ng mga pagpupulong noong Agosto 2026 kasama si

Hon. Juan Ysmael "Jygs" Gandia, Provincial Board Member ng Unang Distrito ng Cavite; Kawit Municipal Mayor Armie Aguinaldo; Office of Congressman Ramon "Jolo" Revilla III; at mga opisyales mula sa DENR, DPWH, Sang-

From Page 1

guniang Bayan ng Kawit, at Punong Barangay ng Brgy. Marulas.

Tinalakay sa mga pagpupulong ang kasalukuyang sitwasyon ng pagbaha at ang mga posibleng hakbang upang mapabuti ang daloy ng tubig. Kabilang dito ang pagtatayo ng pansamantalang earth canal sa ilalim ng CCLink Project sa pangunguna ng Imus City LGU, dredging at paglilinis ng mga daluyan ng tubig, at patuloy na pakikipag-ugnayan sa mga LGUs.

Binigyang-pansin din ang ilang kondisyon sa lugar na maaaring makapekto sa drainage at daloy ng tubig, kabilang ang mababaw na bahagi sa upstream ng na-rechannel na San Juan River, mga bagong development at konstruksyon sa Kawit,

mga istrukturang itinayo ng informal settlers sa tabi ng mga daluyan ng tubig, at ang presensya ng mga bangka at isang barge sa lugar na hindi pagmamay-ari ng CALAX.

Nagsagawa rin ng inspeksyon sa kahabaan ng Pag-asa River. Sa kanilang pagbisita, nakita na nananatiling maayos ang kondisyon at operasyon ng kasalukuyang culvert na may lapad na 7.2 metro.

Sa pamamagitan ng patuloy na koordinasyon at sama-samang pagkilos, nananatiling nakatuon ang CALAX at CAVITEX-CALAX Link sa pagsuporta sa mga praktikal na solusyon upang makatulong sa pagbuo ng mas ligtas at mas matatag na mga komunidad sa Cavite.

CARD MRI..

lungsod para sa pangangalaga sa kalikasan at pagpapanatili ng kultura at pagkakakilanlan ng San Pablo.

Ayon kay Marilyn M. Manila, Presidente ng CARD MRI Hijos Tours, espesyal ang kahalagahan ng San Pablo City sa organisasyon. “Bago namin binuksan ang aming tour services sa iba’t ibang bahagi ng bansa, dito muna nagsimula ang Hijos Tours sa San Pablo. Ang pagsali namin sa pagdiriwang ay paraan ng pagbabalik-tanaw at pasasalamat sa lungsod at sa mayamang kultura nito na naging bahagi ng pagbuo ng tour company ng CARD,” ani Manila.

Karamihan sa mga lantern entry sa parada ay gumamit ng disenyo ng tilapia, ngunit pinili ng CARD MRI Hijos Tours at CMDI na gamitin ang isdang biya bilang pangunahing simbolo ng kanilang likha. Ang biya ay isang maliit na isdang likas na matatagpuan sa Laguna at kilala sa pagiging matatag at madaling makaangkop sa kabila ng simpleng anyo nito.

Ipinaliwanag naman ni Dr. Edzel Ramos, Presidente ng CMDI, na ang pagpili sa biya ay kaugnay ng isa sa mga pangunahing pagpapahalaga ng CARD MRI. “Sa pamamagitan ng biya, nais naming bigyang-diin ang isa sa core values ng CARD MRI, ang pagpapakumbaba,” saad ni Dr. Ramos.

Dagdag pa niya, ang isda ay sumisimbolo rin sa lakas at tibay ng mga komunidad na patuloy na umaangat sa kabila ng iba’t ibang hamon. Para sa CARD MRI, mahalagang maipakita na ang simpleng bagay ay maaaring maging simbolo ng pagkakaisa, pag-unlad, at malasakit sa komunidad.

Ibinahagi rin ni Manila na naging inspirasyon nila ang kahalagahan ng biya sa kabuhayan ng mga mamamayan sa lugar. “Ang biya ay sumasalamin sa lakas at simpleng katangian na malapit din sa pagkakakilanlan ng CARD.

Naniniwala kami na ito ang tamang simbolo upang katawanin ang CARD habang nagbibigay-pugay rin sa San Pablo,” dagdag niya.

Mahigit 20 mag-aaral mula sa performing arts group ng CMDI San Pablo Campus ang nagtulangang upang buuin ang fish lantern. Samantala, pinangasiwaan naman ng CARD MRI Hijos Tours ang koordinasyon at pagsasagawa ng aktibidad.

Nasa school break noon ang mga estudyante bago magsimula ang susunod na taong panuruan. Nang malaman nila ang pakikipagtulungan ng CMDI at Hijos Tours para sa festival, boluntaryo silang tumulong sa paggawa at pagpapakita ng lantern sa parada.

Ang lantern ay pinintahan ng kulay asul, kahel, at dilaw upang kumatawan sa makulay na kultura ng San Pablo at sa yaman ng mga lawa nito.

Upang higit pang maipakita ang tibay at katatagan ng biya, anim na magkakaparehong fish lantern ang ginawa ng mga estudyante sa salit-salitang kulay asul at kahel. Pinagdugtong-dugtong din ang mga lantern sa buong parada bilang simbolo ng pagkakaisa at sama-samang pag-unlad ng komunidad.

Ayon kay Dr.

Healthcare..

Healthcare services reached persons deprived of liberty (PDLs) at the Cavite Provincial Jail as the Provincial Government of Cavite (PGC) conducted a Medical and Dental Mission on September 2, 2026.

Under the leadership of Governor Francisco Gabriel “Abeng” D. Remulla, the outreach mission served a total of 572 patients, underscoring the provincial government’s continuing commitment to making healthcare accessible to all sectors of the community.

The mission provided medical consultations to 507 patients, while 54 individuals received dental services. Mean-

Ramos, higit pa sa isang dekorasyon ang layunin ng kanilang fish lantern. “Ang biya fish lantern na ito ay sumisimbolo sa aming paninindigan sa CARD para sa pangangalaga sa kalikasan at pagpapanatili ng kulturang Pilipino. Sa pamamagitan nito, nais naming hikayatin ang komunidad ng San Pablo na magpatuloy sa pag-unlad habang pinahahalagahan ang kanilang pinagmulan,” aniya.

Itinampok ang fish lantern sa parada mula Rizal Avenue hanggang sa boardwalk ng Sampaloc Lake sa city plaza.

Habang bitbit ng mga estudyante ang lantern, gumalaw sila nang tila alon upang gayahin ang paglangoy ng mga isda sa lawa. Matapos ang parada, nanatili ring nakadisplay ang lantern sa ginanap na evening celebration sa lake boardwalk.

Sa pamamagitan ng kanilang paglahok sa kauna-unahang Yakap Lawa Festival, ipinakita ng CARD MRI ang suporta nito sa mga programang nagpapahalaga sa kalikasan, kultura, at pagkakaisa ng komunidad.

Inaasahan ding magpapatuloy ang gantong mga aktibidad upang higit pang mapalakas ang ugnayan ng mga institusyon at mamamayan sa mga susunod na taon. PR

while, 11 patients underwent electrocardiogram (ECG) procedures as part of the health assessment services provided during the activity.

The successful conduct of the mission was made possible through the collaborative efforts of medical practitioners from General Emilio Aguinaldo Memorial Hospital (GEAMH), in coordination with AMIGA District Hospital and other participating personnel.

The PGC likewise recognized the support and cooperation of Provincial Warden Candelario Warllie R. Herno in facilitating the delivery of healthcare services within the provincial jail facility.

LTFRB..

The Land Transportation Franchising and Regulatory Board (LTFRB), under the guidance of DOTr Secretary Giovanni “Banyo” Z. Lopez, has directed its regional offices to coordinate with expressways management for the timely information dissemination on the status of the expressways within their respective areas of responsibility.

The directive covers Region 1 where the TPLEX is located, Region 3 where the SCTEX and NLEX is located, Metro Manila and Region 4A where SLEX, STAR Toll, CALAX and MCLEX are located.

Acting LTFRB Chairman Atty. Greg G. Pua, Jr. said they also instructed all Regional Franchising and Regulatory Offices (RFROs) in the three regions to coordinate with the local government units (LGUs) in identifying alternative routes from the expressways in cases of emergency and other unexpected incidents similar

PhilHealth’s..

The Philippine Health Insurance Corporation (PhilHealth) welcomes Dr. Beverly Lorraine C. Ho, MD, MPH as its new Acting President and Chief Executive Officer, bringing her extensive expertise in public health, health systems strengthening, and Universal Health Care (UHC) implementation.

Dr. Ho, who previously served as Assistant Secretary of the Department of Health (DOH), succeeds Dr. Edwin Mercado, who has been appointed as the new Secretary of Health.

Dr. Ho steps into the role with a clear vision to carry the Corporation’s

Board Member Aldrin Anacan also supported the initiative, highlighting the importance of strong coordination among provincial officials,

partner offices, and local stakeholders in bringing government services directly to communities and sectors requiring assistance. — OPIO

to what happened at the San Simon area of NLEX which was submerged in floodwater.

“Our priority has always been the welfare of passengers and the delivery of goods to the Filipino people. The incident that happened in NLEX is a wake-up call for us in the LTFRB and other agencies to do our part in coming up with measures to maximize the assistance to the public,” said Acting Chairman Pua.

The LTFRB approach is two-pronged: the first focuses on information dissemination especially to the transport companies and the commuters, and the second is identification of alternative routes for worse-case scenarios.

No motorists and commuters would want to be stuck in traffic jams for hours and the two approaches are essential for both the transport companies and commuters to plan their travel ahead.

For Acting Chair-

man Pua, this is the part where the power of digital technology would play a key role in keeping the public informed.

For instance, an unexpected incident on expressways that were posted on social media would give the motorists the idea to plan their travel and even come up with alternative routes to avoid being stuck in traffic jams.

It is on this aspect of alternative routes that motorists are having troubles, based on the discussions on social media at the height of the NLEX San Simon incident.

And for Acting Chairman Pua, this is the part where the LTFRB could assist in coordination with the LGUs and other concerned government agencies.

He also tasked the concerned RFROs to strengthen coordination with transport and trucker companies for the widest dissemination of information to the public in cases of unexpected road emergencies. PR

ple who need it most.”

Dr. Ho said that key programs under Sec. Mercado will continue. “I want members to feel the effects of the reforms that came before me, and I wouldn’t be able to achieve that if babaguhin ko ulit lahat. What you’ll see is a sharper focus on execution.”

PhilHealth also announced the designation of Dr. Alfred Philip “AP” De Dios, currently Vice President of the Quality Assurance Group, as the Corporation’s new spokesperson.

Under Dr. Ho’s leadership, PhilHealth reaffirms its commitment to delivering meaningful health protection for every Filipino through stronger collaboration, continuous improvement, and responsive public service. PR
